floor, there are 2 large en-suite master bedrooms, one of them with a top of the range Jacuzzi station. In between the two bedrooms there is a large and bright sitting area, as well as a library. The basement is a very large space, which can be personalized to the new owners' taste. Currently it is used as a garage, a wine cellar and storage facilities. All of the materials used in the house are good quality and the decor is made in a traditional-rustic fashion. The outside areas have 1000 sqm of landscaped gardens with a pond. The remaining plot area is used for agricultural or rural use, for farming animals, fruit trees and a small vineyard, currently producing 1600 liters of wine. This property is a dream for anyone looking for a countryside getaway, but not distant from a town center, the main markets and the beaches of the Eastern Algarve. - REF: HAB_27
